

Dear Parents,

I would like to welcome you to Okatie. For those of you who are unfamiliar with PTO, we are a volunteer organization made up of parents, teachers, administrators, and support staff who are all dedicated to the successful education of our children. The Okatie PTO works hard to help make the school year both enjoyable and exciting for students, teachers, and parents.

We are looking forward to meeting families, parents, and grandparents that would like to get involved with our school this year. We encourage you to get involved! ***Everything we do is based on volunteers*** and we are always looking for those of you to help make a difference in the lives of our children.

Your participation and help can make the 2015-2016 a great school year. We will need as many volunteers as possible, and are flexible enough to work around your schedule. Following is a list of events with descriptions. Please mark these dates on your calendar and email me at [jparrott@hargray.com](mailto:jparrott@hargray.com) to let me know your availability.

It will take all of us working together to ensure yet another successful year. We look forward to getting to know you!
